Ilhan Omar: The Lone Warrior in the US Congress

By

Professor A. R. Choudhary

Abstract:

In the February issue we presented to you [Ilhan Omar](#) as the Muslim Hero in the US Congress. She has since become a National Hero.

A member of the Congressional Progressive Caucus, Omar has advocated for a living wage, affordable housing and healthcare, student loan debt forgiveness, the protection of Deferred Action for Childhood Arrivals, and the abolition of ICE. She has strongly opposed the immigration policies of the Trump administration, including the Trump travel ban.

Unfortunately the American Israel Public Relations Committee (AIPAC) has targeted Congresswoman Ilhan Omar and accused her of Antisemitism. She has bravely taken the challenge. She is playing the role of David to discipline the

Goliath of AIPAC (https://en.wikipedia.org/wiki/American_Israel_Public_Affairs_Committee), which is the root of the Israeli Lobby; an agent of the Israeli government with a "stranglehold" on the United States Congress with its power and influence. Ever since she was elected to the US Congress few months earlier in November, Rep. Ilhan Omar has tried to drain the swamp in order to free the Congress from the stranglehold of AIPAC. However, AIPAC will not cede without putting up its best fight. That is what is happening right now.

Introduction

The current situation is [summarized](#) by CNN. However, it is not a fair description because AIPAC also has its stranglehold on the media. Nevertheless, the panelists do not claim that what Rep. Ilhan Omar has stated amounts to Antisemitism. But that does not stop the Israeli Lobby from claiming that it does, and they are demanding that the Democrats in the Congress discipline Rep. Ilhan Omar. Please stay tuned to observe how this fight between David and Goliath evolves. The House is likely to pass a resolution on Antisemitism. A prelude of what follows next is given by some of the coverage in the media, which is summarized below.

Details

Let us clarify that AIPAC is an agent of the Israel, it does not represent the Jews. The problem created in the US Congress is due to AIPAC, it is not created by Jews. In fact AIPAC represents only a small minority of Jews; even Israel represents only a small minority of the Jews. A large segment of the Jewish population is not extremist like AIPAC is. For example, a Jewish Anchor (Marc Steiner of Real News) discussed the brutality of the Israeli Lobby against Rep. Ilhan Omar with a Jewish guest (Phyllis Bennis). It is a video worth [watching](#). They both conclude that Rep. Ilhan Omar did not say anything that can be interpreted as Anti-Semite. Congresswoman Ilhan Omar's Denunciation of Israel Lobby is Not Anti-Semitism.

Earlier, the Democratic Leadership had reprimanded Congresswoman Ilhan Omar. Of course this was also done under the stranglehold of the Israeli Lobby. The truth is that the action of the Democratic majority in the Congress was a fraud as it distorted the statements of fellow Democrat Congresswoman Ilhan Omar. This article shows how AIPAC had [engineered](#) this fraud. But the pressure

on Pelosi is still mounted and she is dwarfing under that pressure, and sacrificing the unity of the Democratic Party in the House in order to [appease](#) AIPAC.

Pelosi is under intense pressure from AIPAC, Republicans, and the Whitehouse. Congresswoman Ilhan Omar is a member of the House Foreign Affairs Committee. Whitehouse has demanded that she be removed from the Committee. Read [here](#) about this demand by Mike Pence. Stay tuned; in the meantime do not stay idle, pick that phone up and call your Representative in the Congress.

Anti-Semitic displays are possible in Europe because AIPAC is not so strong there. You can see the [carnival](#) that displays what would obviously be Antisemitism in USA; and you can read about it [here](#). Israeli Lobby has been extremely strong in Europe for over half a century. But the holocaust treatment of the Palestinians under Israel has slowly taken its toll on the credibility of Israel Lobbies. Further, a new generation has now taken over in Europe so that the stranglehold of the Israel Lobbies has diminished visibly. This development is not hidden from the Israeli agents. They are redoubling their efforts, and trying a prototype first in UK. To watch a 4-part series on this project, please click [here](#). But such propaganda and high handed tricks have their limitations and are unlikely to be found credible. Israel does no longer deserve the sympathy that it was accorded initially.

USA stayed in Vietnam long after France had withdrawn. USA is supporting Israel long after Britain has withdrawn. This is how the US politics work. The apartheid in South Africa was accepted in USA long after it was discredited in Europe. US politics with respect to Israel is taking a similar course. But we are fast approaching the time when the stranglehold of Israel will breakdown and US politics will be free. Before that happens, someone has to drain the swamp from the US Congress. That someone is Congresswoman Ilhan Omar. She has now become a National Hero for being a Lone Warrior in the Congress where there is perennial stranglehold of AIPAC. Least we can do is to cheer for her; so please call your Congressman/Congresswoman to stop the harassment of Congresswoman Ilhan Omar.

Conclusion:

The time is fast coming when US politics will be cleansed of the dirty influences of AIPAC. We are proud to say that the National Hero and the Lone Warrior accomplishing this for the US Congress is a Muslim, a Muslim Woman. The exquisite excellence of the Muslim values is clearly observable in this Muslim contribution to the US Nation. Congresswoman Ilhan Omar is doing a heroic

service. She should be applauded instead of being harassed. So pick up that phone and tell your Representative in Congress to stop harassing Congresswoman Ilhan Omar and acknowledge her sacrifices to drain the swamp in the US Congress. Also please donate to the reelection campaign of Congresswoman Ilhan Omar, for you can be sure that AIPAC will be there with its bag of dirty tricks so that she is not reelected.
